In accordance with the guidelines published by COPE, the authors have retracted this article [1] because of significant concerns regarding a number of Figures presented in this work. In Fig. 3C and 3D there are duplications in the NC and NC-LV groups in the H460 cells, NC-LV, OE-miR-330-3p-LV and anti-miR-330-3p-LV groups in the H1975 cells. In Fig. 7D, the H1975/NC-LV Vec image has been duplicated from the H460/NC image in Fig. 3C. There are multiple duplications throughout Fig. 6, and there are duplications in Fig. 9D (OE-miR-330-3p-LV and OE-miR-330-3p-LV + U0126 groups in the H460 cells, OE-miR-330-3p-LV group in the H1975 cells). The data reported in this article are therefore unreliable.

All authors agree to this retraction.
